

Stand: 24.01.2024	ring Physics																										
	Spezialisierung																										
	Biomedical Physics				Acoustics			Laser and Optics					Renewable Energies														
Prüfungsberechtigungen Engineering Physics	phy698 - Selected Topics on Medical Radiation Physics	phy955 - Medizinische Strahlenphysik I	phy959 - Medizinische Strahlenphysik II	phy686 - Advanced Topics in Biomedical Physics & Acoustics	phy677 - Speech processing	phy696 - Advanced Topics Speech and Audio Processing	phy679 - Acoustics	phy960 - Psychoacoustics	phy637 - Laser Design and Beam Guiding	phy634 - Biophotonics and Spectroscopy	phy965 - Engineering Scientific Instrumentation	phy966 - Intense Light Physics	phy683 - Advanced Topics Ind Laser and Optics	phy609 - Photovoltaic Physics	phy646 - Wind Physics Student's Lab	phy647 - Future Power Supply Systems	phy648 - Wind Resources and ist Application	phy649 - Design of Wind Energy Systems	inf511 - Smart Grid Management	phy984 - Advanced Energy Materials	pre114 - Solar Energy Meteorology	pre113 - Photovoltaic Systems	phy987 - Control of Wind Turbines and Wind Farms	phy967 - Advanced Laboratories in Renewable Energies	phy689 - Advanced Topics in Renewable Energies	Master Thesis	
	Lehrende																										
Agert, Carsten																X						X	X				X
Anemüller, Jörn				X																							X
Avila, Kerstin																								X	X		X
Biehs, Svend-Age																											X
Bitzer, Jörg				X			X																				
Blau, Matthias				X			X																				
Brand, Thomas				X																							X
Cocci, Caterina																											X
Dedek, Karin																											
Dietz, Mathias				X																							X
Doclo, Simon				X	X	X	X																				X
Dörenkemper, Martin																											
Drolshagen, Gerhard																											
Englert, Lars													X														
Enzner, Gerald				X	X	X																					X
Ewert, Stephan				X			X	X																			X
Fatikow, Sergej																											
Feudel, Ulrike																									X		X
Gülker, Gerd																											
Gütay, Levent													X														
Hartmann, Alexander																											X
Herráez, Iván																											X
Hohmann, Volker				X																							X
Hölling, Michael																								X			
Holtorf, Hans-Gerhard																					X	X				X	
Huke, Philipp									X	X		X															X
Kassem, Hassan																											
Knecht, Robin																											
Knipper, Martin																						X					
Koch, Sandra										X																	
Kollmeier, Birger				X	X		x	X																			X
Kühn, Martin														X	X		X	X				X	X	X	X	X	X
Lehnhoff, Sebastian																											
Lienau, Christoph													X							X							X
Loe, Hui Khee	X																										X
Lücke, Jörg				X																							X
Meyer, Bernd				X	X	X																					X
Neu, Walter									X	X		X															X
Nilius, Niklas																											X
Pehken, Alexandra																											
Peinke, Joachim																										X	X
Petrovic, Vlaho																							X				
Poppe, Björn	X	X	X	X																							X
Reck, Martin																											
Rühmann, Antje	X																										
Schellenberg, Markus										X																	
Schneider, Christian																											X
Schmidt, Andreas																X		X									
Schmidt, Jonas																											
Schmidt, Thomas																					X						
Schmidt, Thorsten																											X
Schüning, Thomas																											X
Silies, Martin													X														X
